

### REMARKS

The foregoing amendment to the description of drawings is being made in order to correct an obvious typographical error. Applicant avers that no new subject matter is being introduced by virtue of this amendment.

### CONCLUSION

Prompt and favorable consideration of this Preliminary Amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
